

RICKY ADI KUNCORO

Frontend Developer

PROFILE

Versatile software engineer skilled in JavaScript, TypeScript, React.js (Next.js, Vite), Vue.js (Nuxt.js), Angular, Node.js, and Firebase. Proven track record in delivering scalable financial platforms, high-performance form-driven apps, and backoffice systems. Experienced in migrating legacy apps to modern frameworks, optimizing websites with SSG/ISR, and streamlining development with Turborepo monorepo management.
